### Call for papers (1<sup>st</sup> round of announcement)

The CRIOCM 25<sup>th</sup> International Symposium on “Advancement of Construction Management and Real Estate” is jointly organized by the Chinese Research Institute of Construction Management (CRIOCM) and Central China Normal University (CCNU), hosted by the College of Public Administration of CCNU. The symposium aims to provide a platform for sharing the latest research achievements, outputs, and advancements among construction management and real estate experts both in China and overseas.

CCNU, located in the Wuhan City, is a comprehensive and prestigious university of the “National 211 Project”, the “National 985 Project: Innovation Platform of Advantage Discipline”, and the “Double-First Class Initiatives” in China. CCNU has 30 colleges, 75 undergraduate programs, more than 3800 staff, and 32,000 students. It is an important base for talent cultivation and a superior center for teaching and learning.

Wuhan City is a beautiful and prosperous city in Central China with both rich history and thriving present. We are looking forward to your presence at the CRIOCM 2020 in Wuhan!
