

CRIOCM 2021

26th International Symposium on Advancement of Construction Management and Real Estate

(November 20-22, 2021, Beijing, China)

Note: Due to the impact of the COVID-19 pandemic, this conference has been postponed to
November 20-22, 2021. Please check the following updates.

Call for Papers

We cordially invite you to join the 26th International Symposium on Advancement of Construction Management and Real Estate (CRIOCM 2021). CRIOCM 2021 is jointly organized by the Chinese Research Institute of Construction Management (CRIOCM) and Tsinghua University (THU). The CRIOCM conference is a pivotal international event in the field of construction management and real estate. CRIOCM 2021 will bring together practising engineers, researchers and other professionals for interactive and multidisciplinary discussions on the latest advances in construction management and real estate. Due to the ongoing COVID-19 pandemic, CRIOCM 2021 will be held in an online-offline hybrid way. The participants can attend the conference virtually or in-person in Beijing, China.

The main theme of CRIOCM 2021 is **Innovation and Sustainability in Construction Management and Real Estate**. We welcome paper submissions from academia and the industry that align with the theme and the topics below.

Conference Topics

(Including but not limited to the following topics)

- CM01:** Intelligent construction and smart city
- CM02:** BIM and emerging technologies
- CM03:** Sustainable construction and management
- CM04:** Innovation of construction management theory and practice
- CM05:** New urbanization and governance
- CM06:** Real estate economy and housing policies
- CM07:** Real estate finance and investment
- CM08:** Land development and use
- CM09:** Built environment and crisis management
- CM10:** Construction management and real estate in the post COVID-19 era
