CRIOCM 2021

26th International Symposium on Advancement of Construction Management and Real Estate

(November 20-22, 2021, Beijing, China)

Note: Due to the impact of COVID-19, the arrangements of the conference may be adjusted.

Conference Announcement

We cordially invite you to join the 26th International Symposium on Advancement of Construction Management and Real Estate (CRIOCM 2021). CRIOCM 2021 is jointly organized by the Chinese Research Institute of Construction Management (CRIOCM) and Tsinghua University (THU). The CRIOCM annual symposium is a pivotal international event in the field of construction management and real estate. CRIOCM 2021 will bring together practising engineers, researchers and other professionals for interactive and multidisciplinary discussions on the latest advances in construction management and real estate. This conference will be co-organized with the 7th Cross-Strait Forum on Sustainable Urban Development. Due to the ongoing COVID-19 pandemic, CRIOCM 2021 will be held in an online-offline hybrid way. The participants can attend the conference virtually or in-person in Beijing, China.

The main theme of CRIOCM 2021 is **Innovation and Sustainability in Construction Management and Real Estate**. We welcome paper submissions from academia and the industry that align with the themes below.
