

CRIOCM 2022

27th International Symposium on Advancement of Construction Management and Real Estate

(December 5-6, 2022, Hong Kong SAR, China)

Note: The arrangement of the conference might be adjusted depending on the situation of the COVID-19 pandemic. We will keep you informed of further updates.

Call for Papers

We cordially invite you to join the 27th International Symposium on Advancement of Construction Management and Real Estate (CRIOCM 2022). CRIOCM 2022 is jointly organized by the Chinese Research Institute of Construction Management (CRIOCM) and The Chinese University of Hong Kong (CUHK). The CRIOCM conference is a pivotal international event in the field of construction management and real estate. CRIOCM 2022 will bring together researchers, practitioners and other professionals for interactive and multidisciplinary discussions on the latest advances in construction management and real estate. Due to the ongoing COVID-19 pandemic, CRIOCM 2022 will be held in an online-offline hybrid way. The participants can attend the conference virtually or in-person in Hong Kong SAR, China.

The theme of CRIOCM2022 is **Construction Management and Real Estate in the Post-Pandemic Age: Building Smart and Resilient Cities for Healthy Living**. We welcome paper submissions from academia and the industry that align with the theme and the topics below.

Conference Topics

(Including but not limited to the following topics)

- CM01:** Spatial planning and land use innovation
- CM02:** Integration and application of BIM and GIS
- CM03:** Low carbon built environment
- CM04:** Post-pandemic resilient cities development
- CM05:** Housing and social governance
- CM06:** Real estate market and urban policy
- CM07:** Real estate finance and economics
- CM08:** Intelligent construction and smart city
- CM09:** Built environment for healthy living
- CM10:** Construction management in the post COVID-19 era
