### **MENTORSHIP**

This year we have received 21 no. of applications to become mentors and 25 no. of applications for becoming mentees. Each mentee was finally allocated a mentor after matching.

We did not organise the inauguration ceremony this year due to the COVID 19.

### **PLAN FOR REST OF 2020**

We have planned for some more events like hiking and drinks before the outbreak of COVID19, but we could not organize them due to the gathering restrictions. We would try to our best to resume our activities, for mentors/ mentees and members to join, once the restriction can be relaxed. Your suggestions on your preferred activities are welcome.

Thank you.
